In our opinion, the financial statements present fairly, in all material respects, the financial position of ROSA LUXEMBURG FOUNDATION TANZANIA LIMITED as at 31 December 2020, and of its financial performance and its cash flows for the period then ended in accordance with International Financial Reporting Standards and the requirements of the Non-Government Act, 2002 of Tanzania.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Tanzania, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the IESBA Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information included in the Organization's Report

The other information comprises the General Information, Directors' Report, Statement of Directors' Responsibilities and the Declaration by the Head of Finance. The other information does not include the financial statements and our auditor's report thereon. The directors are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**REPORT OF THE INDEPENDENT AUDITORS
TO THE MEMBERS OF ROSA LUXEMBURG FOUNDATION TANZANIA LIMITED (Continued)**

Responsibilities of the Directors for the Financial Statements

The directors are responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and the requirements of the Non-Government Act, 2002 of Tanzania, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Organization or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for overseeing the Organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report

REPORT OF THE INDEPENDENT AUDITORS

TO THE MEMBERS OF ROSA LUXEMBURG FOUNDATION TANZANIA LIMITED (Continued)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS

1.0 SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES AND POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

1.1 Basis of preparation

These financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS), and under the historical cost convention in Tanzania Shillings with modifications where considered necessary to incorporate revaluation adjustments on property, plant and equipment. Where necessary or when required by the standards the value may also be modified by the measurement of biological assets, financial assets and liabilities at fair value.

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in section 3.4.

1.2 Income and Expenses Recognition

The following specific recognition criteria must be met before revenue is recognized. Sales of goods and services: - Revenue is recognized when rewards of ownership of goods and services have passed to the buyer. For donor funds, the revenue is recognized when the donor has approved and confirmed the provision of such fund. Expenses are recognized when the rewards of the ownership has passed from the suppliers to us.

1.3 Impairment of Assets

The Directors have made an impairment review of the firm's tangible non-current assets and have found no need to make any provision for impairment of assets as there is no non-current asset that warrants such provision beyond its amount of depreciation.

1.4 Debtors and Provision for bad debts

Trade debtors and pre-payments are initially recognized at cost. An impairment review of trade debtors has been made. The Directors have found no need for a provision for impairment of any of the debtors or pre-payments in these accounts. Debtors and other assets are stated after deducting provisions for credit losses designed to cover identified doubtful debts and losses.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
